Shop with a Cop Fundraiser

Shop with a Cop is where kids in need are paired with Police Officers and other First Responders from the area to shop for Christmas presents for themselves and their families at our Fremont Walmart. Previously we have done grade level Penny Wars, but we are trying something different this year to raise money for the event. Students and staff will place money in the jars of the staff member or members that they would most like to see try to outrun a police officer. The 3 jars of staff members that raise the most money will then be trying to outrun a police officer at an all school assembly. Any monetary donation is acceptable, but bills will make for easier counting. Help support this great cause and hopefully see the staff member of your choice compete.
